INDEPENDENT AUDITORS' REPORT

Board of Directors
Saving Tiny Hearts Society
Itasca, Illinois

We have audited the accompanying financial statements of SAVING TINY HEARTS SOCIETY (an Illinois not-for-profit organization), which comprise the statement of assets, liabilities and net assets as of December 31, 2014, and the related statements of revenues, expenses and other changes in net assets, functional expenses, and cash flows, all on the modified cash basis, for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of SAVING TINY HEARTS SOCIETY as of December 31, 2014, and its revenues, expenses and other changes in net assets, and its cash flows for the year then ended in accordance with the basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

NOTES TO FINANCIAL STATEMENTS

ORGANIZATION ACTIVITIES

Saving tiny Hearts Society (“the Society”) was founded in Deerfield, Illinois and incorporated on September 1, 2006 under the Illinois General Not-for-Profit Corporation Act.

The Society was established to raise seed money for grossly under-funded, lifesaving grassroots research of congenital heart defects (CHDs). The money raised acts as a bridge for research to millions of dollars of extramural funding from the National Institute of Health (NIH) or other outside funding.

The primary activity of the Society is to prolong, improve and save the lives of children born with CHDs by awarding revolutionary lifesaving research grants. Awardees are determined by the Society’s independent Scientific Medical Board and awards are based on criteria set forth by the National Institute of Health.

The Society receives its funding via contributions and grants from individuals, family foundations, corporations, community organizations and other members of the medical community.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**BASIS OF ACCOUNTING**

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U. S. generally accepted accounting principles. Under that basis, certain revenues and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligations are incurred. Consequently, the Society has not recognized contributions receivable and accounts payable to vendors, and their related effects on the change in net assets in the accompanying financial statements. The Society recorded prepaid expenses for its fundraising event to better match event revenues and expenses. Additionally, intangible assets have been capitalized and are amortized over their estimated useful lives on a straight-line basis.

USE OF ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from those estimates.

FINANCIAL STATEMENT PRESENTATION

Financial statement presentation follows the requirements of the Financial Accounting Standards Board (FASB) Codification for “Financial Statements of Not-for-Profit Organizations”. Under the standards, the Society is required to report information regarding its financial position and activities into three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Accordingly, net assets of the Society and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations plus those resources for which temporarily donor-imposed stipulations have been satisfied. Unrestricted net assets may otherwise be designated for specific purposes by action of the Board of Directors.

NOTES TO FINANCIAL STATEMENTS

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

FINANCIAL STATEMENT PRESENTATION (Continued)

Temporarily restricted net assets - Net assets whose use by the Society is subject to donor-imposed stipulations that may or will be met either by actions of the Society, pursuant to those stipulations and/or that expire by the passage of time. The Society had no temporarily restricted net assets at December 31, 2014.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that the resources be maintained permanently by the Society. Investment income, including realized and unrealized gains and losses, are classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Society in a manner consistent with the standard of prudence prescribed by the Uniform Prudent Management of Institutional Funds Act (UPMIFA). The Society had no permanently restricted net assets at December 31, 2014.

Revenues are reported as increases in unrestricted net assets unless use of the related asset is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets.

PROPERTY AND EQUIPMENT

The Society capitalizes property and equipment purchases greater or equal to \$750 with useful lives exceeding one year.

RECOGNITION OF SUPPORT AND REVENUES

The Society accounts for contributions in accordance with the FASB Codification topic related to accounting for contributions made and received. Contributions, which consist of cash received from donors, are recognized as support or revenue when received. All contributions are considered available for unrestricted use unless specifically restricted by the donor or by laws and regulations.

CONTRIBUTED SERVICES

The Society receives a significant amount of donated services from unpaid volunteers and board members who assist in its program and fundraising efforts in the furtherance of its purposes. In accordance with the FASB Codification topic related to accounting for contributions made and received, no amounts have been recognized in the statement of revenues, expenses and other changes in net assets because the criteria for recognition under this topic have not been satisfied.

FUNDRAISING

Fundraising costs relate to annual fundraising, as well as agency promotion to enhance awareness to the community regarding the need to fund research for congenital heart defects.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing various programs and other activities are presented on a functional basis in the statement of revenues, expenses and other changes in net assets. Accordingly, certain expenses have been allocated among the programs and supporting services benefited, based on direct charges or appropriate methods determined by management.

NOTES TO FINANCIAL STATEMENTS

NOTE 2—INTANGIBLES

The Society paid fees of \$1,950 to register a trademark. The amount was capitalized and is amortized over a period of 60 months. Amortization expense was \$309 for the year ended December 31, 2014.

Estimated amortization expense for the next five years is:

2015	\$	390
2016		390
2017		390
2018		390
2019		<u>81</u>
	<u>\$</u>	<u>1,641</u>

NOTE 3—TAX-EXEMPT STATUS

The Society qualifies as a charitable organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is similarly classified by the State of Illinois.

The Society follows the guidance in the FASB Codification topic related to uncertainty in income taxes which prescribes a comprehensive model for recognizing, measuring, presenting and disclosing in the financial statements uncertain tax positions that the Society has taken or expects to take in its tax returns. Under the guidance, the Society may recognize the tax benefit from an uncertain tax position only if it is "more likely than not" that it is sustainable, based on its technical merits. The tax benefits recognized in the financial statements from such a position should be measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with a taxing authority having full knowledge of all relevant information. The Society believes that it has appropriate support for the positions taken on its returns.

The Society files its forms 990 in the U.S. federal jurisdiction and the office of the state's attorney general for the State of Illinois. The Society is generally no longer subject to examination by the Internal Revenue Service or the State of Illinois for years before 2011.

NOTE 4—CONCENTRATIONS**REVENUE CONCENTRATION**

Approximately 64% of total revenues were earned through the Society's annual gala fundraising event for the year ended December 31, 2014.

CREDIT RISK

The Society maintains cash in accounts at a financial institution, which, at times, may exceed federally insured limits. The Society has not experienced any losses in such accounts. The Society's management believes they are not exposed to any significant credit risk on cash.

NOTES TO FINANCIAL STATEMENTS

NOTE 5—RELATED PARTY TRANSACTIONS

The Society operates out of space located in the offices of the company co-owned by the President of the Board, which is located in Itasca, Illinois. No amounts have been reflected in the financial statements to reflect donated facilities, as the amount is not material to the financial statements.

NOTE 6—COMMITMENTS

The Society's Board of Directors approved three grant commitments to be paid in 2015 totaling \$195,000.

NOTE 7—SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 26, 2015, the date which the financial statements were available for issue. There were no subsequent events which require disclosure.
